

Packages and Pricing

The Garden - price is \$435; includes:

- Layout and design.
- Two static pages of your choosing and a contact page.
- Up to three stock photos (provided by Shire Enterprises) or up to three scanned or digital photos (provided by you).

Mini-websites like The Garden are great for personal sites or small businesses interested in establishing a web presence. Please note that logo creation, domain name registration and hosting are additional.

The Shire - base price is \$810; includes:

- Layout and design.
- Five static pages of your choosing.
- An emailed contact page (and thank-you page) with up to ten form fields to collect information.
- A privacy policy page, a site map, and a page-not-found.
- Up to ten stock photos (provided by Shire Enterprises) or up to ten scanned or digital photos (provided by you).

Standard websites like The Shire are a very popular package! Please note that logo creation, domain name registration and hosting are additional.

The Shire and Contact-Database Package - base price is \$1000; includes the standard package plus:

- A contact table (in a MySQL database) with up to ten fields of your choosing.
- Private login-only page to manage contacts and export your data to an Excel spreadsheet.

This is a perfect solution for organizations that want to maintain mailing lists, permit online registrations, or collect data via online surveys. Please note that logo creation, domain name registration and hosting are additional.
